

Dealer Demo Activation Procedure

- I. Turn your Sirius radio system on and make sure antenna has view of the sky (should not be indoors).
- II. Obtain the Sirius ID (ESN number) from the Clarion Marine source unit.
- III. Call the SIRIUS dealer support number 866-580-7234 (available Monday - Saturday 8 am – 10 pm EST). Tell the agent that you are calling to activate a **60-day in-boat Dealer Demo** and give the agent the SIRIUS ID.

Service should be on within a few minutes of your call.

Note: Demos are automatically turned on with a restricted plan, which blocks 6 streams that may contain language inappropriate for children.
